

### END OF SPRING TERM 2025

This term has been packed full of incredible activities, events and visits. We hope that your children have had a really eventful and engaging term. We cannot believe that we are fast approaching the Easter holidays- where has the time gone? It seems only a few weeks ago that we were all celebrating Christmas and the start of the New Year! Since then, we have managed to pack in a Year 2 residential at Petty Pool, World Book Day celebrations, two RE Weeks, a Design and Technology Week, Parents' Evenings, Football tournaments and Netball matches against local schools, a Book Fair, a PTA Spring disco and an End of Term Music Concert by the Upper Juniors to name a few! The list is endless!

Please ensure you go online to visit your child's class webpage to see more of the action packed term that your children have been involved in.

### PTA DISCO - FUNDRAISER

We would like to thank all children and their parents who supported the recent PTA Disco. Attendance at the event was super! The children had a fantastic time. Thanks goes to all of the PTA members and all of the staff who stayed after school to support the event. Thank you all!

We are pleased to announce that the total raised at the disco was a fantastic **£729**. Well done to everyone involved!

### Y4 and Y5 BIKEABILITY

During this final week, the Year 4 and Year 5 pupils were involved in the Bikeability programmes (Levels 1 and 2 respectively). The training involved the pupils learning how to ride and manoeuvre safely on roads. The children thoroughly enjoyed the opportunity to develop their cycle and road awareness skills and were a credit to the school whilst working with the trainers from Cyclist Training Ltd.

### DESIGN TECHNOLOGY WEEK

Last week's much anticipated Design Technology Week focused upon a variety of DT skills including investigating, designing, creating and evaluating, and the children produced a variety of excellent outcomes including: Viking boats, Moving story books and Bridges to name a few products. During the earlier part of this week, the children's work across the school was showcased in the hall for the rest of the school to see. Super teamwork and problem solving work! Please have a good look at your child's Class Dojo pages, as well as the class webpages on the school website to see the excellent work that went on. Thanks goes to Miss Rowark for organising such a successful Design Technology week!

### REMINDER: JUNIOR SNACKS / PACKED LUNCHES

At Lacey Green Primary, we actively encourage and promote children making healthy lifestyle choices. In order to support us with this, we would like to remind all parents that all junior children wishing to bring a snack to school for morning break must ensure that it is an appropriate healthy snack (no crisps, chocolate or sweets are allowed). Snacks such as fresh or dried fruit, vegetable sticks, breadsticks and rice cakes are ideal.

**PACKED LUNCHES:** All children bringing in a lunch of their own are also actively encouraged to bring to school a healthy well balanced lunch. This is vital for ensuring children have the right nutrients and enough energy to see them through the school day.
